

Easter 2020 Catalog

Thank you to everyone who has been so supportive to my family and I during this difficult time. We are so grateful to everyone who has ordered their Easter gifts from us this Easter Season. It has not been easy. As many of you know, we are a small family owned business and we manufacture most of our items on site. Unfortunately, given the current situation and for the safety of both our staff and our customers we had to lay off good hardworking people. Because of that my wife and I have been working many long hours to try and keep up with the demand of Easter items and Easter baskets. It has been difficult for us to be able to manufacture as we would normally at this time of year and with the outpouring of support from the community, we have been blessed to be so busy, however, the side effect is that while we are answering the phone, checking email, putting Easter orders and baskets together and bringing them to you curbside we have sold out of many of the items we had in stock. Below is a list of our remaining Easter 2020 Catalog. Please take a look at the remaining offerings and know that we do still have a good selection of Easter items as well as chocolates and truffles. Thank you again for the wonderful support that this community has given us at this time. We look forward to brighter days ahead so that we can bring our staff back and get back to what we love doing....

Making delicious chocolates and sweet treats for everyone to enjoy.

Sincerely, The Burkinshaw Family
